Union College E-mail

G Suite (formerly Google Apps for Education) is Union College's environment for e-mail and calendar services.

To login to your Union College Google account, go to http://www.gmail.com [1] and use your FULL E-MAIL ADDRESS as your username (username@union.edu [2]) and your Union College password.

Google Additional Services

A number of Google Additional Services (also referred to as "consumer apps") are available for faculty and staff Union College accounts. Because these services have a different terms of service, you are required to request to opt-in [3] to gain access.

Google Training Videos on Lynda.com

To help get you started on using Google Apps for Education, there are several training videos available on Lynda.com. ITS has created a page with links to "essential" and "advanced" training videos for Gmail, Google Calendar and Google Drive [4] on Lynda.com. You can view previews of this training but must login in order to gain full access.

To learn how to get started with Lynda.com, please go to our Training-Lynda.com [5] page on the ITS website.
