

No deposit
for international
students.

International students can get fast & reliable service from AT&T with no deposit.

Special offer for international students attending

AT&T is making it easier than ever for international students to access fast, reliable wireless services with waived deposits. Use your qualifying device from back home, or purchase a new one from AT&T and start enjoying simultaneous voice and data services with 4G LTE speeds. Study, play and be able to connect with home from all over campus, plus enjoy a % student discount every month!

To sign up for new AT&T service with a waived deposit for international students, bring your student ID, passport and student email address to your local AT&T retail store at:

or find a store near you at att.com/storelocator.

IMPORTANT INFORMATION

The International Student Deposit Waiver Program allows international students enrolled at U.S. qualifying accredited 2- and 4-year colleges and universities to have their deposit fee waived. **The International Security Deposit Waiver Program is available only to international students who sign a 2-year agreement and activate postpaid service on their college/university's approved student FAN.** Only international students whose credit check is returned as a "no hit" are eligible for the security deposit waiver. **Maximum of three (3) waived deposits per account.** As proof of enrollment, the student must provide a valid Student ID and Primary ID (e.g. Passport) to be eligible. The account must be set up in the student's name. A student email address is required when setting up the account. Student will enroll in paperless billing on-site. The student has the ability to use "unlocked" COAM devices, versus purchasing new devices. There is no contract for use of "unlocked" devices – devices must be unlocked before visiting the retail store or on campus event. New devices are available for purchase, via business-as-usual subsidized equipment. Students receiving deposit waivers are not eligible for AT&T Next equipment offers. Standard activation charges apply. This program is available to all U.S. direct retail locations.

Gen. Wireless Svc Terms: Subject to Wireless Customer Agmt or applicable Business Agmt. Activation fee \$40/line may apply. Early termination fee up to \$325 may apply. Credit approval req'd. Geographic, usage & other terms, conditions & restrictions apply, & may result in svc termination. Coverage & svcs not avail everywhere. Taxes & other monthly charges apply.

**Reliability claim based on data transfer completion rates on nationwide 4G LTE networks. LTE is a trademark of ETSI. 4G LTE not available everywhere. ©2014 AT&T Intellectual Property. All rights reserved.] [All other marks used herein are the property of their respective owners.
